### VACANCY ANNOUNCEMENT

#### WATER RESOURCE CONTROL ENGINEER

**LOCATION: CENTRAL VALLEY REGIONAL WATER QUALITY CONTROL BOARD, 11020 SUN CENTER DRIVE #200, RANCHO CORDOVA, CA 95670-6114**

The Sacramento office of the California Regional Water Quality Control Board, Central Valley Region has a vacant position in the Irrigated Lands Policy and Planning Unit of the new Irrigated Lands Section. This is a permanent full-time Water Resource Control Engineer position to help implement this program throughout the Central Valley.

#### WATER RESOURCE CONTROL ENGINEER (RPA 150-93)

**DUTIES:** Work with federal, State and local government agencies, Coalition Groups, individual growers and the public in implementing the Irrigated Lands Conditional Waiver Program. Develop, review and complete policy and technical reports; respond to comment letters, emails, and other requests from stakeholders; prepare Regional and State Board agenda materials; present agenda material at Regional and State Board meetings; participate in public meetings and hearings; prepare technical correspondence and reports; prepare and review environmental documents; conduct field inspections; coordinate with other programs within the Board and other State, federal and local agencies; and provide good customer service.

**NECESSARY QUALIFICATIONS:** Effective communication skills including both verbal and written; ability to work well with other disciplines; good customer service skills; ability to conduct field inspections; proficiency in standard computer applications such as Word, Excel and PowerPoint.

**DESIREABLE QUALIFICATIONS:** Experience working with multi-disciplinary professional staff (engineers, scientists) engaged in environmental regulations and water quality assessments. Knowledge of agriculture, water chemistry, soil science, land and water use interactions; experience in project and contract management; the ability to work independently and under pressure; good interpersonal skills; and good organizational skills.

**WHO MAY APPLY:** Applicants must hold a current appointment or possess list, transfer or reinstatement eligibility to the Water Resource Control Engineer, or Environmental Scientist, Land and Water Use Scientist or Engineering Geologist classifications. Current re-employment, SROA and surplus provisions will be followed.

**Permanent, Full time, Final Filing Date: Open until filled. Applications will be screened and the most qualified applicants will be scheduled for interviews. Interested persons should submit a complete State application form (Form 678), resume and at least five references to Wendy Cohen, Irrigated Lands Conditional Waiver Program at the above address, or fax (916) 464-4681. For further information, contact Wendy Cohen at (916) 464-5817 or email: [wcohen@waterboards.ca.gov](mailto:wcohen@waterboards.ca.gov).**
